

PURE LIFE EXPERIENCE :
Winegrower for one season

Winegrower for one year, your dream becomes real thanks to the “ Pure Life Experience” a Villa del Quar project for its clients. Surrounded by our vineyards we give you the chance to adopt a row of 100 grapevines even with the entrust and the guarantee of an official certificate. We will take care of everything and you could take part and control anytime you desire living the different growth states, the pruning, the flowering and the grape harvest in autumn helped and guided by professional winegrower. With these bunches we will produce a red wine that will be stored in a barrique and then bottled with personalized label , about 300 bottles . We will deliver your wine at home and you could proudly raise up the glasses.
